

Society of Petroleum Engineers (QLD)

2020

Scholarship Application Form

Scholarship Details

Details of Scholarship: The **\$1,500** award is made payable to a student to assist with their post-graduate studies (Masters or PhD). The program is aimed at engineering students intending to pursue a career in Petroleum Engineering or in a field related to the energy industry. These scholarships are reserved for students studying in QLD. Up to three (3) individual awards may be made during 2020.

Deadline for applications: 30th April 2020

Eligibility: Those eligible to apply are those who are student members of SPE QLD currently enrolled in full time or part time post-graduate academic study.

Key Criteria

1. Please attach a list of extra-curricular activities and work during university studies. A resume may be attached that includes the two requested items above.
2. Please answer the following questions in a maximum of 150 words each. Answer the questions on the subsequent pages of this application:

Q1: What are your goals at University?

Q2: What are your career plans and aspirations?

Q3: What are the challenges facing the oil & gas industry in Australia?

Q4: What is your interest and history (if any) with the oil and gas industry?

3. Please attach a copy of your most recent academic transcript.

Scholarship awards will be based on written applications only; interviews will not be held

Please return your applications via email attachment **by 30th April 2020** to:

Nicola Xu
SPE QLD Scholarship Chairperson
ConocoPhillips
Email: Nicola.T.Xu@conocophillips.com

Please note that shortlisted candidates will be contacted for a phone or face to face interview.
